

# Weekday Promotion Bosses Shout!

Shout them a round of pizzas from **Pizza Party Hire®!**

We're Victoria's most innovative mobile wood-fired pizza company and we make fresh pizzas to order, right there in front of you.

Fantastic for team building, a special event or just a mid-week break, our mobile wood-fired oven creates a real buzz.

There's no need to take down orders, no need to phone ahead — and no waiting around while the pizza delivery boy gets lost...

Just piping hot pizzas made with delicious, fresh ingredients, served up in as little as five minutes.
